<input type="checkbox"/>	Other:

**Description:** The Andean Technical Regulation on the labelling of cosmetic products was approved through Andean Community Resolution No. 2310.

<sup>1</sup> This information can be provided by including a website address, a PDF attachment, or other information on where the text of the final measure/change to the measure/interpretive guidance can be obtained.

It establishes the labelling and marking requirements for cosmetic products that are marketed in the territories of Andean Community member countries, with a view to preventing practices likely to mislead consumers or users as to the characteristics of these products, and to protecting human health and safety.
